MARCOS ABREU

I had the opportunity to work as a project manager with different companies and in different business areas, including IT, chemical, oil, government, procurement, etc. This experience built me a broad view of the field and a strong experience with a focus on communication, prioritization, problem-solving, and solution delivery.

👥 VOLUNTEER WORK

2008
|
2007

Research - The Value of Project Management
Athabasca University   📍 Calgary - CA

Brazilian representative in the "The Value of Project Management" research project conducted by Athabasca University and sponsored by PMI.

2016
|
2018

Code-For-São Paulo Brigade
Code-For-All   📍 São Paulo - SP

Volunteer work in the coordination of Code-For-São Paulo Brigade, member of the Code-for-All international initiative.

My Change Management knowledge was developed based on the works of John Kotter and Kurt Lewin, among others. At COPEL, the Change Management was conducted based on the *People Centred Implementation* (PCI) method from the Change First company. At ExxonMobil, I used the ADKAR model from the Prosci company.
